## St Joseph's Catholic Combined School Home School Agreement

This agreement has been drawn up in consultation with parents, staff, governors and pupils. It reflects the comments made by parents in the recent consultation exercise.

Our school's principal aims are:

- ◆ That our children achieve their potential within a caring environment in which they earn respect for themselves and each other
- ◆ That all our children learn about the Catholic faith so that their lives are an example to others

We can achieve these aims by working in partnership with all parents, in support of their own child. Our aim with this agreement is to clearly state our commitment as a school to both parents and pupils. In sharing with you our expectations of your child we seek your support.

*Please sign and return **one** copy of this agreement (see reverse) which will then be kept on file in the school*
